(Site Management Support)

BANGLADESH

AT A GLANCE:

- Registered in Bangladesh in 2013, DRC started working in Bangladesh right after the August 2017 Rohingya influx in Cox's Bazar from Rakhine state of Myanmar.
- In 2022, DRC Bangladesh reached 279,184 people (52% female, 48% male).
- DRC has planned to expand its presence beyond Cox's Bazar. Target geographical areas from 2023 onwards will be Cox's Bazar Rohingya response, Chittagong Hill Tracts, Haor region (flood prone areas), coastal belts and urban / peri urban areas.

Special thanks to:

Government of the
People's Republic of Bangladesh
